New ePIN Feature Goes Live for Army myPay Users

ARLINGTON, Va. (June 23) – Army personnel can now obtain their myPay personal identification numbers (PINs) by using a new online feature called ePIN. myPay is an online system operated by Defense Finance and Accounting Service. ePIN is available to active, reserve, guard, civilians and military retirees with Army Knowledge Online accounts.

“We are constantly looking for ways to make myPay even more user friendly,” said Pat Shine, director of DFAS Military and Civilian Pay Services. “ePIN will make this valuable pay management tool more accessible to our Army customers.”

ePIN greatly simplifies the process of gaining access to myPay. Personnel can visit the myPay Web site, <https://myPay.dfas.mil>, and click on the “New PIN” button. The system will verify the identity of the user through their Social Security Number. The user can elect delivery of the PIN by email or regular mail. Email delivery takes place within 48 hours.
